Wanda Koscia's

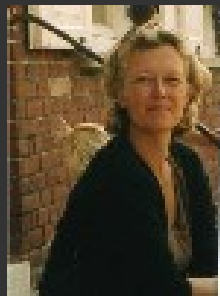

# Battle for Warsaw '44

*...We will wipe out Warsaw, the brain of this nation which for centuries has stood in our way. The Poles will not be a problem for our children and all those who come after us...*

*...Every inhabitant must be killed, no prisoners are to be taken. Warsaw is to be razed to the ground, a terrifying example for the whole of Europe...*

Heinrich Himmler  
1944
